

## Tablet Recorder 8

**Digital Recording at the Touch of a Button**  
**Directly Replace Cassette Recorders**  
**Easy to Use With Familiar Controls**  
**Hear Every Word with Clear, Digital Sound**  
**Auto Archive Recordings to Network**  
**Transcribe from Any Computer**

### A Complete Digital Recording System

Tablet Recorder captures clear digital audio while being simple to operate, just like a tape recorder. No special setup or training is required. Turn on the computer, plug in the microphone, and press the Record button.

### Replace Cassette Tape Recorders

Tablet Recorder is ideal for converting from cassette-based recording systems. Replacing aging cassette recorders has never been easier.

### Product Options

Tablet Recorder has SoniClear software pre-installed and is ready to use straight out of the box. Select Gov Recorder 8 for recording meetings or Court Recorder 8 for administrative hearings, courts, and depositions.

The included computer microphone is ideal for recording in smaller rooms. Various microphone options and multichannel mixers can be added to handle any recording requirement.

#### Gov Recorder 8 Software

- Board Meetings
- Committee Meetings
- Planning Meetings
- Employee Reviews
- Workgroups

Product Part Number: TG8RS

#### Court Recorder 8 Software

- Courts
- Depositions
